SERVICES

Revere Electric Supply

Family Owned and Operated Since 1919

★ Rockwell Automation Authorized Locations

Key Manufacturers

**Rockwell
Automation**

nvent
HOFFMAN

EAT•N

PANDUIT®

AcuityBrands®

legrand®

HUBBELL®
Wiring Device-Kellems

PHILIPS

EAT•N

Bussmann series

EAT•N

Crouse-Hinds series

LUTRON®

Revere's Mission:

**Deliver Innovative & Industry Leading
Customer Centric Solutions, Products & Services
To the Industrial Automation & Electrical Construction Markets**

Delivering on the Mission

- 4th Generation, Family Owned
- 10 Locations Throughout IL and Southern WI
- Local Market Leader with National Influence
- ISO9001 Certified
- 4 Regional Warehouses
- Rockwell Automation Authorized Distributor Since 1935
- Representing Over 300 Manufacturers
- National Account Support Through SupplyForce
- Revere Inventory Management Solutions
- Full Electronic Data Interchange (EDI) Services
- 24 Hour Emergency Support
- Fully Integrated B-to-B Ecommerce Digital Platform

Living the Mission

- Premiere Industrial Automation and Electrical Construction Distributor
- Driving Solutions and Services to Deliver Customer Value
- Expansion of Our Served Industries
- Recognized as a Differentiated Resource
- Preferred Channel for Leading Manufacturers
- Industry Experts in Connecting the Plant Floor for Business Success

We Align Market Leading Resources with Quality Products & Services that Exceed Expectations

- Automation Design & Application Support Engineers
- Enterprise Wide Network Specialists
- Professional Field Sales Representatives
- Inside Application Support Technicians
- Switchgear Specialists
- Lighting Specialists
- Inside Customer Service Representatives
- Partner with Solution Providers

Our Local On-Staff Experts Support:

- Connected Enterprise
- Drives and Motors
- Industrial Controls
- Lighting & Controls Design/Project Management
- Migration Solutions
- Motion
- Motor Control Centers
- Networks
- PAC/PLC/HMI
- Process Solutions
- Safety
- Sensors
- Software
- Services
- Switchgear Design & Project Management
- Software/Visualization/Virtualization
- Industrial Computers/Data Centers

Rockwell Automation: Core Services

- Training
 - Online & Instructor Led Courses
- Industrial Repair Services
 - RA Remanufacturing & 3rd Party Repair
- Field Engineering Services
 - Emergency & Start Up
 - Project Management
- Application & Product Support
 - Tech Connect
 - Remote Monitoring & Analytics
- Integrated Support
 - Parts Management Agreement
 - Assurance Integrated Support
 - Modernization
 - Legacy Support & Lifecycle Extension

Going Beyond Product, Price and Delivery

PRODUCTS

- Vendor Consolidation
- Design Review
- Innovative Technologies
- Technical Support

SOLUTIONS

- Modernization
- Process
- Safety
- Mechatronics
- Lighting & Switchgear

SERVICES

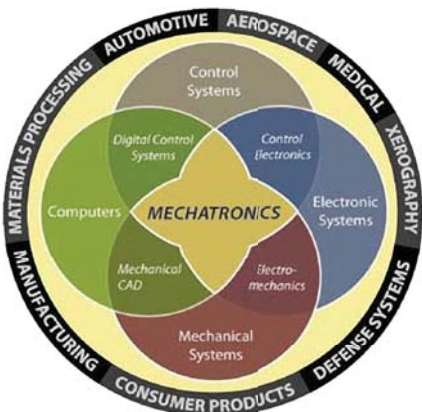

- Network Design & Installation
- Safety - Arc Flash, LOTO & Risk Assessment
- RIMS/Material Management
- Wire & Cable Management

Differentiation Through Value-Added Solutions & Partnerships

Comprehensive, Fully Customizable, Inventory Management & Kitting Solutions

- Reduce Downtime & Improve Productivity
- Just-In-Time Inventory
- Lower Inventory Carrying Costs
- Reduce Number of Purchase Orders Issued

Industry Leading Mechatronic Design Capabilities

- Variable Speed to Complex Motion Control Applications
- Line-to-Load Application Support
 - Reactors, Filters, Motors & Gearboxes
- Controller-to-Coupling Design Engineering
 - Linear Actuators, Gearboxes and Robotics
- Integrated Safety

The Modernization Continuum: Connecting the Plant for Business Success

- Pragmatic multiphase approach to Modernization
- Interconnection ERP to Plant Floor
- Increased Operational Intelligence
- Efficiency Through Equipment Optimization
- Supply Chain Control and Optimization
- Automated Regulatory Compliance
- Lower Energy and Material Costs

Everyone Benefits From a Well Executed Safety Program

- Domain Experts on Global Safety Standards
- Plant Safety: Ethical and Financial
- Machine Safety: While Improving Productivity
- Personnel Safety: Reduce Risk and Liability
- Safety Services
 - Arc Flash
 - Lockout/Tagout
 - Risk Assessment

Flexible Scalable Process Control

- Batch Management & Control
- Field Device Integration & Asset Management
- Critical Control & Safety
- Advanced Process Control
- Single Point Access to Process Information
- Intrinsically Safe Products

Sustainable Operations & Energy Saving Solutions

- Complete Lighting Design & Layout Solutions
- Motor & Drive Application Expertise
- Power Quality & Energy Management Products
- W.A.G.E.S. – Monitor, Report & Manage
- Recycling Solutions
- Electric Car Charging Stations

Construction Centric Support Led By On-Staff Industry Experts

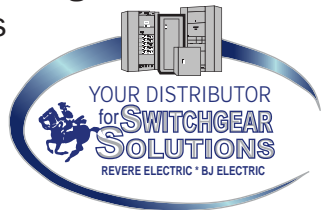

Solutions to Reduce Your Labor and Risk

- Plan to Minimize Project Risk
- Reduce Non-Core Labor
- Improve Foreman Effectiveness
- Simplify Project Clean-Off

Power Distribution Solutions to Control, Protect and Deliver

- Project Quotation, Value Engineering and Design Build Packages
- Professional Project Management available on all Orders
- New and Vintage Product Spec Capabilities
- Exclusive Software Tools for Power Flow and Coordination Designs

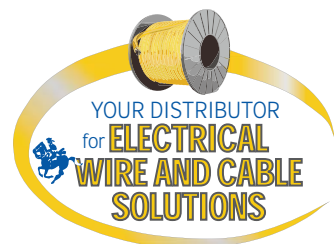

Lighting Design and Project Management

- Professional On-Site Lighting Design and Application Support
- Complete Energy Conservation Studies and Proposals
- Complete Project Management
- Engineered Lighting Control Solutions

Wire, Cord & Cable: Managed and Delivered Efficiently and Effectively

- Colored Feeders (CU & AL)
- Pulling Heads
- Paralleling
- Wire & Cable Cutting Capabilities
- Broad Inventory for Construction & Automation Applications
